-----ACCOUNTABILITY

**Sec. 94.** The Board of Governors of The University of North Carolina shall require each institution to develop a plan that would exhibit how the institution will measure its effectiveness, especially in the areas of student learning and development, faculty development and quality, and progress toward the institution's missions. Each plan shall include information concerning the institution's goals to improve and maintain its quality in these areas. The plans shall provide for annual assessments and for reporting these assessments to the Board of Governors and to the General Assembly. The Board shall identify a number of assessment measures that shall be required on all campuses to insure systemwide assessment.

These plans shall be developed and submitted to the General Assembly by January 15, 1991.
